

2020 Week of Giving Sponsorship

By sponsoring Attain Housing and our fall fundraising campaign, you join us in building a safe and supportive community where opportunity exists for all families to achieve stable housing and self-sufficiency.

We are transitioning our Fall Luncheon event to an online Week of Giving that will run from Friday, September 18 through Thursday, September 24. Our community and supporters will have the opportunity to view inside perspectives of Attain Housing's important work throughout the week-long program.

On Friday, September 18th, we'll be kicking off our Week of Giving with our first video presentation. It will feature a keynote speaker, inspiring client stories, and the start of a campaign to reach our fundraising goal of \$180,000.

We need your help this fall to make sure we can continue to help families like this one recover from the trauma of homelessness and give their children the healthy living environment they deserve.

We hope you will join us as a sponsor of the 2020 Week of Giving.

Please reach out with any questions about our work in the community, and any questions about 2020 campaign sponsorship.

Thank you and look forward to hearing from you,
